PROCLAMATION

Whereas, any day, week or month is a good time to remind all of us of the need to remember that Respect, Dignity, Compassion and Humility are four essential ingredients in the creation and maintenance of a civilized Society.

Whereas, in the heart of all of us lies the idea that we hold the power of kindness within us, and;

Whereas, by knowing, understanding, and actually using this power we have the ability to send out a positive ripple that may travel for miles, and;

Whereas, no one, no matter how young or how small, is too little to make a difference in our community and our world, and;

Whereas, through random acts of kindness, we can promote healthy behaviors and positive dynamics within our community, and;

Whereas, we seek to cultivate caring, kindness and compassion within our community through our youth by teaching them to make a difference through Random Acts of Kindness.

Now, Therefore, I, Louise Carter-King, Mayor, of the City of Gillette, Wyoming, do hereby declare September 9th as:

Community Kindness Day
