Campbell County Fireworks Regulations

Fireworks Within Campbell County

Campbell County prohibits the sale and discharge of fireworks within county limits except as specifically authorized by Resolution of the Board of Commissioners. A Resolution is traditionally in place for a sales period around Independence Day (4th of July) and sometimes around New Year's. If Fire Restrictions are in place, that restricts the sale and use of fireworks.

These regulations are intended to protect public safety, reduce fire danger, and minimize risks to people and property.
