City of Gillette Fireworks Regulations

Fireworks Within the City of Gillette

The City of Gillette prohibits the sale and discharge of fireworks within city limits except as specifically authorized by the Mayor for approved special celebrations.

These regulations are intended to protect public safety, reduce fire danger, and minimize risks to people and property.

City Code & Ordinance References

§14-9. Fireworks--Discharging, etc.

Except as provided in §14-11, no person shall discharge, explode or fire or cause to be discharged, exploded or fired within the city any firecracker, Roman candle, sky rocket, torpedo or other combustible fireworks or other like explosives. (C.O. 1948, 320.)

§14-10. Fireworks--Sale, etc.

Except as provided in §14-11, it shall be unlawful for any person to sell, barter, trade or give away any firecrackers, sky rockets, Roman candles, torpedoes or other combustible fireworks or other like explosives of any kind whatsoever, except caps for use in toy or cap pistols, within the city, at any time. (C.O. 1948, 321.)

§14-11. Fireworks--Special celebrations.

The mayor may, at his discretion, permit the purchase of fireworks to any corporation, association, society or club, through any dealer, to be used at such special celebration as may be approved by the city. Such fireworks so purchased shall be used and displayed under such regulations as the city may prescribe, (C.O. 1948, 332.)
