INSTRUCTIONS FOR COMPLETING THE CITY OF GILLETTE INDIVIDUAL TRADE LICENSE APPLICATION (NEW)

The City of Gillette has adopted the 2024 Building Codes. This application has been revised to better assist the applicant in complying with the provisions of the Gillette City Codes, specifically Chapter 5. The following information is not all inclusive. **Please refer to the City Codes at www.gillettewy.gov > City Attorney > Current City Code > Chapter 5 “Buildings” for specifics.**

USE THIS FORM IF - New License: Applicant has not previously been licensed with the City. Applicant presently holds a trade license with the City and wishes to add a new trade license. **Upgrade License:** Applicant wishes to change the class of his or her existing City trade license (for example, from a journeyman electrician to a master electrician). **Expired License:** Applicant was licensed with the City for the class of license applying for, however, such license has expired and the 30-day grace period has lapsed or will lapse prior to the completed application being received by Building Inspection.

TRADE LICENSES - The City requires licensing of individuals in the following trades (classes): Electricians (master, journeyman); Gas Pipefitters (master, journeyman, and apprentice); HVAC Technicians (master, journeyman, and apprentice); Plumbers (master, journeyman, and apprentice) and Refrigeration Technicians (master, journeyman, and apprentice). Please review the following information to determine which license or licenses are appropriate for the type of work to be performed. **Applicants may require more than one trade license.**

AUTHORIZATION - Licensing of an individual as an Electrician, Gas Pipefitter, HVAC Technician, Plumber or Refrigeration Technician does NOT authorize the licensee to perform his or her trade within the City limits EXCEPT when such work is done as an owner or payroll employee of an entity that is licensed with the City as a Class D Contractor in the appropriate trade, with the required permit(s) in place.

APPROVAL PROCESS - Completed applications for Individual Trade Licenses go before the Board of Examiners for approval. The Board regularly meets the second Tuesday of each month. Once approved by the Board, licenses are immediately active. Denied applications will be notified via mail. If you do not receive a License or Notification of Denial within one week following the BOE meeting, please contact the Building Inspection Division at 307-686-5260.

SUBMITTAL DEADLINE - Applications are submitted to the Building Inspection Division for processing. **Incomplete applications will be returned to the applicant.** Completed applications received by 5:00 PM on the Monday, before the Board's monthly meeting (Tuesday if Monday is a holiday), will go before the Board for approval at that month's meeting. **Applications received or completed after the deadline listed below will be processed for approval at the next BOE meeting.**

DEADLINE	FOR BOE MEETING ON	DEADLINE	FOR BOE MEETING ON
December 29, 2025	January 13, 2026	June 29, 2026	July 14, 2026
January 26, 2026	February 10, 2026	July 27, 2026	August 11, 2026
February 23, 2026	March 10, 2026	August 24, 2026	September 8, 2026

May 26, 2026	June 9, 2026	November 23, 2026	December 8, 2026

CONSTRUCTION CODES - The City has adopted the following construction codes: 2024 International Building Code (2024 IBC), 2024 International Residential Code (2024 IRC), 2024 International Plumbing Code (2024 IPC), 2024 International Mechanical Code (2024 IMC), 2024 International Fuel Gas Code (2024 IFGC), 2024 International Fire Code (2024 IFC), 2024 International Existing Building Code (2024 IEBC), 1997 Uniform Code for the Abatement of Dangerous Buildings, and the 2023 National Electric Code (2023 NEC). For amendments to the adopted codes, see Chapter 5 of the Gillette City Codes. Such amendments are available via the City's website at www.gillettewy.gov > City Government > Current City Codes > Chapter 5 – “Buildings” for specifics.

TEST INFORMATION: A test certification is required for all Class D Licenses. Electrical Contractors and Electricians are required to be licensed through the State of Wyoming.

For test information and to schedule your exam, go to the ICC’s website at <http://www.iccsafe.org> > Professional Development > Credentialing > Exam Catalog > Catalog Search > Choose: **Type: Contractor/Trades, Category/Trade: ALL**, Click Search > Determine what exam to take for certification desired > **Look for:** *Click here to purchase and register for a CBT exam: Pearson Vue.* ***Note – these instructions are subject to change***

QUESTIONS - If you have questions or need assistance in completing this form, please call the Building Inspection Division at (307) 686-5260 or stop by our office on second floor of City Hall. For questions on testing or State requirements, please contact the applicable testing or State authority.
