INSTRUCTIONS FOR COMPLETING THE CITY OF GILLETTE CONTRACTOR LICENSE APPLICATION (NEW)

The City of Gillette has adopted the 2024 IBC, IRC, IFC, IEBC, IMC, IPC and the IFG Codes. Please refer to the City Code at www.gillettewy.gov > Government > City Attorney > Current City Code > Chapter 5 “Buildings” for specifics.

NEW LICENSE REQUIREMENTS:

- **All Contractors, Subcontractors and Contract Labor** working on infrastructure, improvements and repairs in the public right-of-way, and City projects, are required and shall hold the class of license required for the work performed.
- **Licensing is required regardless of the project size, duration, and whether or not a permit or inspection is required.**
- Owners and payroll employees of the contractor are covered under the Contractor’s License.
- Licenses are **not** transferable, nor may they be shared or otherwise used by another contractor.
- **Individual Trade Licenses are also required for Class D Electrical, Gas Pipefitter, HVAC, Plumbing and Refrigeration Contractors.**
- **A contractor’s responsibilities shall include:**
 - ❖ Building is in compliance with the adopted Construction Codes, City Codes and requirements.
 - ❖ Obtaining required permits prior to commencing work.
 - ❖ Obtaining required inspections.
 - ❖ Constructing without substantial deviation from the approved construction plans.
 - ❖ Responsible for all work included in its Contract, whether the work is done by the Contractor or Subcontractor, ensuring all the Subcontractors are properly licensed, and for acquiring a Certificate of Occupancy prior to habitation.

MULTIPLE LICENSES - Applicants may require more than one class license, hold multiple Class D category licenses, and/or multiple Class F category licenses, Class A, B, R, or multiple C category license(s).

TERMS - Licenses are issued for a term of one year and are renewed **ANNUALLY** with the submittal of an application fee and required documentation. **Please Note:** It is the contractor’s responsibility to submit the Renewal Application and required documents prior to the license expiration.

APPROVAL PROCESS - All completed applications for Contractor Licensing are submitted to the Board of Examiners for approval. If an application is flagged for individual review, the applicant may be requested to appear before the Board to answer questions and to discuss the circumstances surrounding the review. Denied applications will be notified via mail. If you do not receive a License or Notification of Denial within one week following the BOE meeting, please contact the Building Inspection Division at (307) 686-5260.

SUBMITTAL DEADLINE - Applications are submitted to the Building Inspection Division for processing. **Incomplete applications will be returned to the applicant.** See application for deadline dates and online submittal information.

TEST INFORMATION - A certification is required for all license classes when an applicable test comes available through the International Code Council (ICC).

A computer-based test sponsored by the International Code Council (ICC) and administered by **Pearson VUE**. **For test information and to schedule your exam, go to the ICC’s website at <http://www.iccsafe.org>** > Professional Development > Credentialing > Exam Catalog > Catalog Search > Choose: **Type: Contractor/Trades, Category/Trade: ALL**, Click Search > Determine what exam to take for certification desired > **Look for: Click here to purchase and register for a CBT exam: Pearson Vue.** ***Note – these instructions are subject to change***
