

Energy Capital Sports Complex is Equipped with:

- **Announcing Capabilities**

For individual fields, as well as an all-call zone, equipped with an assisted listening system.

- **Score Booths and Electronic Scoreboards**

- **Overhead Net Structure**

Protects interior of the complex from foul balls and allows pop-up to be played.

- **Umpire Room**

With restroom and shower.

- **Team Storage with Lockers**

- **Grass Play Area**

For those who need to stretch their legs.

- **Infield Sprinkler System**

Keeps the infields playable and reduces watering delays and dust.

- **Fully Enclosed Complex**

Allows for option of ticketed events.

- **Pitching Mounds**

Converts from softball to Little League standards. Can be placed at 35', 40', 43' or 46'.

- **Clay Bricks Under Pitching Area**

Allows users to maintain firm footing

- **Synthetic Surfacing in Outfields**

Slitfilm turf with sand-rubber infill.
