

**1.06 STREET CLOSURE PROCEDURE AND APPLICATION FORM**

- A. Street closure will not be allowed if prior forty-eight (48) hours written notice is not given to the authorities listed below. A street closure shall be defined as any time through traffic is not allowed on a street for a period of two (2) hours or more. Additionally, the CONTRACTOR shall inform the affected homeowners and/or businesses on a house-by-house and/or business-by-business basis as to the situation by making them aware of the time of closure as well as the anticipated reopening. This shall also be done a minimum of forty-eight (48) hours prior to any street closure. The Contractor shall provide to the Owner and/or the Engineer the Street Closure Form for review and approval prior to the Contractor sending out notice of street closure.
  
- B. A minimum of forty-eight (48) hours prior to any street closure, the CONTRACTOR will be responsible for notifying the following authorities:
