Gillette, WY 82717-3003

Dear Annie:

Congratulations! I was so pleased to hear that the Geographic Information Systems Division had recently been named the Team of the Year by the City of Gillette.

This recognition represents the culmination of a great deal of hard work and determined effort. You should be very proud of this honor. It is truly and greatly deserved.

I know I join with community in telling you how proud I am of all you and your team did to earn this award. In reading the report that detailed your efforts I could not help but wonder how much better the world would be if we all worked as hard as you did. More power to you!

Congratulations again. The hard work of you and your team exemplifies the "can do" spirit of the West. Your efforts reflect well on all of us. Diana joins me in sending our best wishes to you

Sincerely,

*Way to go!
Mike Enzi. What a team!*

In 2018 Section 13 of the Zoning Ordinance was rewritten and approved by the City Council. Section 13 is the regulation that governs the placement of telecommunication towers. This regulation also included small cell infrastructure as part of the rewrite. Also in 2018 Code Compliance completed a rewrite of the Chapter 13 of the Gillette City Code. Chapter 13 regulates Nuisances such as tall grass and weeds, junk and inoperable vehicles on private property. The rewrite updated fines and implemented further collection procedures for unpaid fines.

Event End Date:	<u>1/22/19</u>	Event End Time:	<u>3:00 p.m.</u>
Duration of Event:	<u>26 hours</u>	Streets First Responder:	<u>Billy Little</u>

Storm Event Overview:

The Streets day crew leader called out the crew at 1:00 p.m. on 1/21/2019 snow was beginning to build up on the streets. Heavy snow showers fell on and off through the afternoon keeping the crew working on priority streets and trouble areas.

Night crew took over at 7:00 p.m. 1/21/19 as temperatures dropped and winds increased causing drifting conditions. The night crew worked through the night to making significant progress on priority streets and subdivisions in spite of snowfall and high winds.

Parks crew members came in to work at 2:00 a.m. and started working on that day's solid waste route subdivisions.

Building Maintenance staff worked the early morning hours to open City facilities and parking lots as well as some school route areas.

Day crew started the day at 7:00 a.m. 1/22/2019 working further into subdivisions. As the day progressed, the weather cleared and the Streets and Parks crews were able to plow the remaining subdivisions. The priority routes and subdivisions were plowed and treated with material by 3:00 p. m. and the snow event was ended.
