The undersigned, hereinafter referred to as *CUSTOMER*, applies to the *CITY OF GILLETTE, WYOMING*, hereinafter-called "*CITY*," for utility services. Utility services shall mean the providing of water, sewer, trash, or power, or any combination thereof. In consideration of the acceptance of this application by the *City* and the rendering of such service, the *Customer* agrees and grants as follows:

1. *Customer* agrees to pay an initial connect fee and for other services in accordance with the rules and regulations at the applicable rates for such service now in effect or as the same shall lawfully be amended or changed from time to time.
2. *Customer* agrees to pay a credit check fee to verify identity and to determine utility deposit.
3. *Customer* agrees to pay all utility bills within 14 days after mailing of the bill. It is understood that if the utility bill becomes delinquent, the utility service will be turned off. Utility service shall not be restored until all delinquencies, reconnection fees, and any applicable deposits imposed are paid in full or until any failure to conform to this ordinance or regulations issued hereunder are eliminated.
4. *Customer* agrees that a deposit shall be billed to any account that has received more than two disconnect notices in a 12 month period.
5. *Customer* grants the *City* the right to access the property at any time after power is shut off to disconnect and cap the water system. *City* shall attempt to give reasonable notice but may enter without notice if freezing weather is expected. *City* shall not be responsible for any damage caused entering the premises or capping the water service.
6. A meter deposit will be determined at the time of connect based on credit criteria from an online utility check. The Meter deposit is held for 2 years from the date of connection. If the payment record indicates no more than two late payments within the initial 2 years of service, the deposit plus accrued interest will be applied to the account. If there are more than two late payments in the initial 2 years, the deposit will be held until there are no late payments within a consecutive 12-month period.
7. All meter deposits shall be applied to the final bill.
8. *Customer* agrees to permit the *City*, its agents or employees to enter the above described premises at all reasonable times for the purpose necessary and incident to rendering of such services.
9. *Customer* warrants that he/she has the authority to sign this agreement and to grant permission to enter premises to the *City*.
10. *Customer* agrees that he/she will make certain that the meters, equipment is readily accessible to the *City*, and that there are no barriers or animals, which would prevent reasonable access thereto.
11. *Customer* agrees to pay any damage to the meters or equipment excepting normal wear.
12. *Customer* agrees to pay reasonable attorneys fees and costs in the event of collection proceedings.
13. *Customer* agrees to pay 1 ¼% per month (15% APR) interest on any amounts not paid within 21 days after billing.
14. *Customer* understands *City* shall not be responsible for damages to electrical devices, appliances, and other personal property.

I certify that the information given by me in the application is true and correct and that falsification of any information will be grounds for discontinuance of utility service.
