

KEEP GILLETTE BEAUTIFUL Adopt-a-Street Program Participation Agreement

Thank you for your interest in adopting a Gillette roadway and participating in the Adopt-a-Street program.

Volunteers agree to:

- Clean both sides of your adopted section of roadway a minimum of three (3) times a year.
 - One (1) cleanup conducted each year to coincide with Earth Day on April 22, or the Coal Country Trash-a-Thon.
- Notify Keep Gillette Beautiful at keepgillettebeautiful@gmail.com when your group is planning a cleanup.
- Place full bags of trash next to sign posts or reflectors as it is collected to assist in removal by City of Gillette Solid Waste or Parks Crews.
- Renew your Adopt-a-Street agreement annually in March.

Keep Gillette Beautiful and the City of Gillette agree to provide support to Volunteers during their events by:

- Having safety equipment available to borrow during their event, such as reflective vests for visibility along the roadway.
- Have pickers, gloves and bags available to Volunteers for use during their event.
- Designate the roadway as adopted and indicate the Volunteer's affiliation on the signage.
- Collect filled trash bags in the area the cleanup occurs.

By completing and signing this form, the Volunteer and associated organization agree to act with the expectations of the Adopt-a-Street Program.
